

**COMPANY PROFILE**

**LABELLING SINCE 2002**

## WELCOME TO OUR INDUSTRY

Justagz and Labels was established in 2002 by Bazil and Ann Binder.

We are proud to be celebrating over 20 years in business as one of the best in the industry.

## WHAT WE OFFER:

Justagz and Labels offers a wide range of products and services ranging from plastic to board tags and blank to full-colour labels, as well as everything else in between. We also supply a range of label printers and consumables.

## A BREAKDOWN OF WHAT WE OFFER:

- Our Design Department offers one to full colour designs.
- Creating attractive and impactful labels or tags for your brand
- Digital printing of 1-5000 labels
- Flexographic printing of +-5000 – unlimited labels.
- Dedicated sales coordinator
- Regional account manager
- Stock management
- Quality manufacturing to FSSC 22000 standards

## LABELS@ZA

Due to the high demand for small-run labels for startup companies, Justagz and Labels decided to open a digital and label division under the name Labels@ZA in 2015.

This division now offers small-run digital labels as well as banners and other vinyl products.

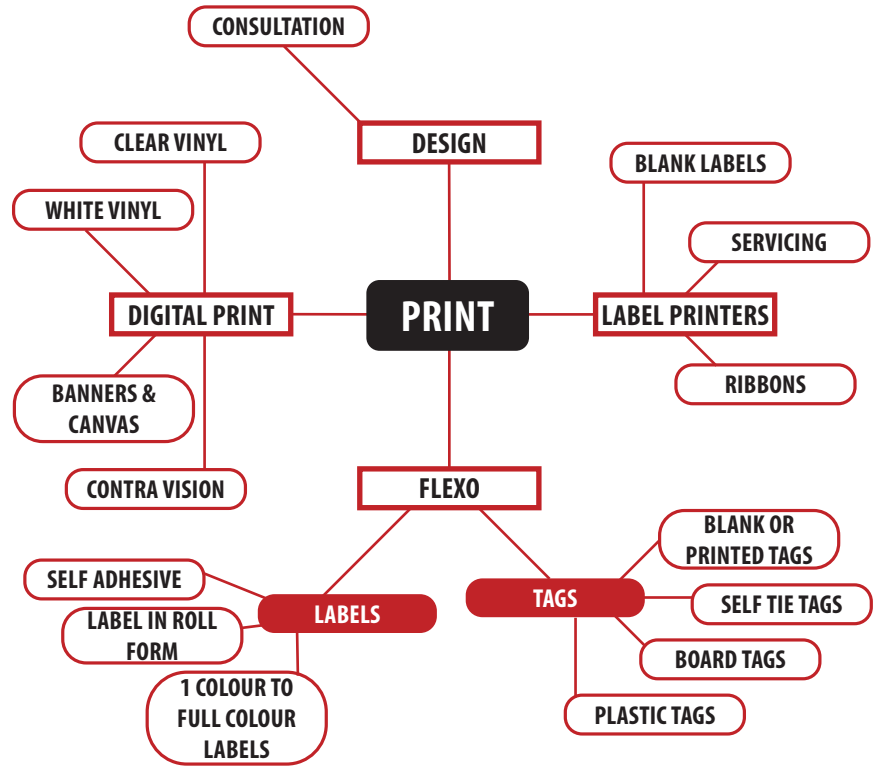

We also offer small-run Flexo Labels in roll form.

## QUALITY CONTROL

We are proud to state that we have been **FSSC 22000** (Food Safety Certification) certified since 2016.

**FSSC 22000 V5.1** Food Safety System Certification for food packaging provides us with a framework to effectively manage our food safety responsibility.

We have now demonstrated that we not only meet our customers' requirements but exceed them by offering customers the peace of mind that we have a robust Food Safety Management System in place to ensure that our tags and labels cannot contaminate your products.
